Get started in about 5 minutes

1. **Charge and turn on.** Hold the bottom button for about a second. A new watch opens on its Wi-Fi setup screen.
2. **Open your olá account** on your phone at **app.olacompanion.com** (scan the code) and sign up or sign in.
3. **Connect the watch to Wi-Fi.** Android: tap "Connect to watch" in Chrome and type the password the watch shows. iPhone: scan the code on the watch with the Camera, choose your home Wi-Fi (2.4 GHz) and tap Save.
4. **Pair.** The watch restarts and shows a 6-digit code. Enter it in your account under Add watch within 5 minutes.
5. **Say hello.** Press the top button, or tap the big mic, and just speak.

olácare subscription
Your first 30 days are free, starting when you pair the watch. Then £7.99 a month, renewing monthly: unlimited AI conversations, history, personas and updates. Cancel anytime in your account (Account › Manage billing). Without an active subscription the assistant does not answer; your notes and reminders stay in your account.

Your rights & warranty

Under the Consumer Rights Act 2015 your watch must be of satisfactory quality, fit for purpose and as described. If it isn't:

30 days
Reject it for a full refund.

6 months
We repair or replace it. If that fails, a refund or price reduction.

6 years
You can claim for up to 6 years (5 in Scotland).

How to claim: email ola@olacompanion.com with your order number and a short description. We cover the cost of returning a faulty watch. Not covered: normal wear and tear, accidental damage, misuse or unauthorised repair. We do not offer an extra commercial warranty; nothing here limits your legal rights.

Changed your mind? You can cancel within 14 days after the day you receive the watch, without giving a reason: email us with your order number, then send the watch back within 14 days. Unless it is faulty, you pay the cost of returning it. Cancelling the watch also cancels olácare.

Security updates are provided for at least 2 years from the date you buy the watch. Full terms: **olacompanion.com/legal**

Battery and charging
Contains a lithium-polymer battery. Do not open, puncture, crush or heat the watch, or leave it in direct sun or a hot car. Charge only with the supplied cable and a compliant USB power adapter. Stop using it if it swells, gets hot or smells.

Good to know
Water: **[TO COMPLETE]**. For adults (18+). olá's answers are generated by AI and can be wrong: do not rely on them for medical, legal, financial or emergency decisions.

Looking after your watch
Clean the screen and strap with a soft, dry cloth. Keep it away from magnets, solvents and extreme heat or cold. Updates arrive over Wi-Fi.

Recycling

Do not put the watch or its battery in household waste. Take it to an electrical recycling point.
